## Special Thanks To:

- Jo. Co. Master Gardeners for their help in planting the flower baskets.
- Recognition Specialties for their plaques.
- Jerry Leajeld and Blair McIntyre for their efforts behind the scenes to insure the Flower Baskets stay up for years to come.
- Travis Bennett for his dedication to this program and his patience with the few scary drivers out there every morning.
- Jill Gleystein for her efforts in getting the word out.
- Mike Amaranthus, Mycorrhizal Applications

5th & "H" St. • Downtown Grants Pass • 476-4424

I would just like to say that we are awestruck and so lucky to have a business and to live in a great place like Grants Pass. A giant thanks to the hundreds of people that take the time to stop in and say thank you. We have loved all the beautiful cards that many of you have sent. We are so pleased that we have been involved in a project that has made a difference to our downtown.
