Ready to Sell Your Vehicle?
Here's 4 Tips To Help You Get The Best Price:

1) Price it properly. Check online pricing guides & newspaper ads to see what other sellers are asking for similar year & model.
2) Clean interior & exterior. Consider getting the vehicle tuned-up, fixing any dings & scratches. Plus throw away all trash, remove personal items, & then take time to wash & wax the car for more eye-appeal.
3) Get a Carfax Report to show prospective buyers your car's reported history. It will help them feel more confident about buying your used vehicle.
4) List your car in the classified section. We offer a WHEELS DEAL monthly rate to make selling your car easy with great print & online exposure.
