Meeting their match

By John Kugelman

Puzzle edited by Will Shortz

John Kugelman, of Gainesville, Va., is a software engineer specializing in cybersecurity. This is his 10th Sunday crossword for The Times in the past two years. “When I was young, I would steal my dad’s Games magazines, and he’d be both annoyed and proud.” One day John gave his dad an original puzzle. The family assumed it was generated by a computer — but he had made it himself. He has been hooked on crossword constructing ever since. — W.S.

Forecast for the week beginning June 22, 2025
BY MAGI HELENA

ARIAS (March 21-April 19): Embrace adaptability this week. Holding too tightly to rules or what you think you want may limit your growth. Remove mental blocks to gain clearer insight and stay open to new viewpoints—this mindset can welcome positive opportunities.

TAURUS (April 20-May 20): Be cautiously skeptical. Facts may be murky early this week, so think whether to delay job or financial choices. Consider the chance for a potential public appearance—this could be your moment to highlight the results of your hard work.

GEMINI (May 21-June 20): Hold onto your cash. Extra money in your pocket might tempt you to dive into a new venture or splurge on a fleeting desire. Before finalizing any choices, seek a trusted opinion and steer clear of overspending.

CANCER (June 21-July 22): Know your worth in the week ahead. The voices that whisper doubt or failure are lying—practice more kindness toward yourself. Let go of old negative thought loops and create a new inner story rooted in embracing your full potential.

LEO (July 23-Aug. 22): You always reap what you sow. A critical tone may dampen someone's spirit and hinder cooperation—avoid being judgmental for the best results. Stay grounded, follow the rules, and grow through life's tougher lessons.

VRIGO (Aug. 23-Sept. 22): Acknowledge your limits. You may have been pushing yourself too hard for too long. This week, notice signs of low stamina and lean on trusted allies for support. While your energy may surge, partners could be more focused on practical goals.

LIBRA (Sept. 23-Oct. 22): Refine and fine-tune. Don't turn into your own harshest critic—practice a more supportive inner dialogue. Some things may not be as great as they appear, others could be better than you think. Don't let a fleeting worry take over. Stay focused and keep improving.

SCORPIO (Oct. 23-Nov. 21): Shift from daydreaming to smart action this week, efficiency can be your greatest strength. Discover new tools, apps, or modern organizational methods to streamline your work and elevate your skillset.

SAGITTARIUS (Nov. 22-Dec. 21): If you don't understand why you've made certain choices, stop and examine your patterns. Check your trajectory to ensure that you're still heading in the right direction to attain your goals and avoid setting up something uncomfortable.

CAPRICORN (Dec. 22-Jan. 19): Stay balanced. Some things can be changed, others can't; understand the difference and take your time with big decisions. Friendship can fuel your dreams. Not everyone's a perfect match, but a reliable buddy may step up.

AQUARIUS (Jan. 20-Feb. 18): Prove yourself through your actions in the week ahead. Everything hinges on choices and outcomes, not words. Ensure purchases meet expectations by only buying what is appropriate for you, not just to impress others.

PISCES (Feb. 19-March 20): Have faith, work hard, and dawn will always break. Some days may drain your energies or be filled with 'learning opportunities' but if you stay focused on your goals and uphold your responsibilities you will rise higher.

IF JUNE 22 IS YOUR BIRTHDAY: Take time to relax over the next three to four weeks. In late July, be sure to dot your I's and cross your T's, as a heavy workload and close scrutiny may test your performance. Your ambitions may rise in July and August, but this could be a time to release dead ends and walk away from flimsy offers, not to start fresh ventures. In September, joining a club, group, or organization could bring both success and joy, helping you form valuable connections that support key areas of your life. Romance may appear late in the month if you're single, but it may be only a brief fling. Be mindful of your wishes in November, as December may present challenges to progress.

“The Bear” - Season 4

The kitchen is heating up once again as “The Bear” returns to Hulu for its fourth season, with all 10 episodes hitting the streamer Wednesday.

After opening their fine-dining restaurant, The Bear, Carmen “Carmy” Berzatto (Jeremy Allen White) and his crew are back in the kitchen and are under even more pressure. Season 4 picks up right after Season 3’s cliffhanger when Carmy received The Bear’s first review. Season 4 follows Carmy as he doubles down on his obsessive pursuit of culinary greatness, alienating his team as The Bear chases a Michelin star.

“Ironheart” - Season 1

A brilliant new hero steps into the spotlight when “Ironheart” premieres Tuesday on Disney+.

Set in the aftermath of “Black Panther: Wakanda Forever” (2022), this series follows Riri Williams (Dominique Thorne), a young inventor who is determined to make her mark on the world. Inspired by Tony Stark, she builds her own powerful iron suit ... but her invention attracts the wrong attention.

“Squid Game” - Season 3

Every game must come to an end, but Season 3 of “Squid Game” is just getting started. Coming Friday, June 27, to Netflix, the final season plunges Seong Gi-hun (Lee Jung-jae) back into the nightmare he once tried to escape.

But this time, he's on a mission to tear down the system from within. Season 2 ended in tragedy, as Gi-hun's failed rebellion against the game's organizers led to the death of his friend Jung-bae (Aaron Yamauchi), leaving him with guilt and a need for justice.

“Trainwreck: Poop Cruise”

Prepare to cringe, gasp and maybe laugh a little during the latest installment of the Trainwreck anthology series, "Trainwreck: Poop Cruise," which sets sail Tuesday on Netflix — and you'll be glad you weren't on board.

What was supposed to be a luxury four-day cruise from Galveston, Texas, to Cozumel, Mexico, turned into a nightmare for the 4,000 passengers and crew on board. After an engine room fire destroyed the electrical cables supplying the entire ship, the boat is left drifting without power — including propulsion, lighting, air conditioning or ... flushing toilets.

“Steph Tolev: Filth Queen” (2025)

Steph Tolev rules the stage in her new stand-up comedy special, "Steph Tolev: Filth Queen," coming Tuesday to Netflix.

In her debut Netflix special, the

FX

Jeremy Allen White (left) and Ebon Moss-Bachrach star in “The Bear,” which is coming back for Season 4 with all 10 new episodes hitting Hulu on Wednesday.

Canadian comedian delivers a hilariously raw hour of stand-up that dives headfirst into the absurdities of bodily functions, dating disasters and personal insecurities, proving nothing is too awkward or too gross to laugh at. Filmed live at Boston's Paradise Rock Club and produced by comedy heavyweight Bill Burr, "Filth Queen" showcases Tolev's fearless approach to stand-up.

“Enigma” (2025)

A powerful reflection on identity, reinvention and the price of fame, “Enigma” premieres Tuesday on HBO Max.

Directed by Emmy-nominated filmmaker Zackary Drucker, "Enigma" is an emotional documentary that explores the lives of two groundbreaking trans figures: April Ashley, a British model who once graced the cover of *Vogue*, and Amanda Lear, the French singer and actress known for her playful persona on stage. Born into eras defined by secrecy and social suppression, both women forged bold new identities in the public eye, but in strikingly different ways.

“Smoke” - Season 1

Where there's smoke, there's fire! Season 1 of "Smoke" premieres Friday, June 27, on Apple TV+ with a two-episode debut, followed by weekly episodes through August.

Taron Egerton stars as Dave Guden, a troubled arson investigator who is forced to partner with detective Michelle Calderone (Jurnee Smollett) as they track down two elusive serial arsonists. As the fires grow larger and the threat deadlier, Dave and Michelle are pulled deeper into a twisted game of cat and mouse that threatens to consume them both.

“Butchers of L.A.”

A chilling look into the twisted

minds of three serial killers who turned the dreamy city of Los Angeles into a landscape of night terrors, "Butchers of L.A" premieres Thursday on Sundance Now.

Directed by David Harvey, this docuseries explores the brutal legacies of three sadistic killers — Patrick Kearney, William Bonin and Randy Kraft — who haunted Southern California for over two decades with their eerily similar methods and victim profiles, leaving a trail of more than 130 victims and a maze of confusion that left investigators puzzled for years.

“The Good Ship Murder” - Season 2

Returning for another thrilling voyage, Season 2 of “The Good Ship Murder” premieres Thursday on BritBox.

Set aboard a luxury Mediterranean cruise ship, Season 2 sees former detective-turned-cabaret singer Jack Grayling (Shayne Ward) drawn into a new wave of baffling whodunits. As the ship sets sail for new ports, Jack once again teams up with officer Kate Woods (Catherine Tyldesley) to investigate a series of crimes, ranging from a suspicious disappearance during a masquerade ball to a high-profile poisoning at sea.
